PROFESSIONAL SUMMARY:

Motivated and detail-oriented Computer Science graduate with strong knowledge of HTML, CSS, JavaScript, and React.js. Seeking a Front-End Developer Internship to apply my skills in building responsive, user-friendly, and modern web applications while learning from industry professionals.

SKILLS:

- | | |
|---------------|------------|
| ✓ HTML5 | ✓ CSS3 |
| ✓ JavaScript | ✓ React JS |
| ✓ Git, GitHub | |

REACT JS PROJECTS:

1. Voice & Text Translator App

- Built a translator app with speech-to-text and text-to-speech features.
- Implemented multi-language support, background toggle, PDF export, and social media sharing.

2. Weather App

- Fetched real-time weather data using API integration.
- Displayed temperature, humidity, and wind speed with icons.
- Designed with a modern responsive UI.

3. To-Do List App

- Created a simple task management app with add/remove functionality.
- Implemented local storage for saving tasks.

4. Portfolio website

- Designed and developed a personal portfolio website to showcase projects and skills.
- Implemented responsive design for mobile and desktop.

EDUCATION:

2021 - 2025 | Government College University, Faisalabad.

Bachelor of Computer Science
